2. Students' personal mobile phones [and other personal mobile devices] brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Tyrrell College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Tyrrell College :

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours

- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's Mobile Phones Policy issued by the Minister for Education, personal mobile phones must not be used at Tyrrell College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile devices owned by students at Tyrrell College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Tyrrell College does not have accident insurance for accidental property damage. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Tyrrell College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Tyrrell College students are required to store their phones in storage provided.
