Term 2: 24 Apr - 23 Jun 2023

Term 3: 10 Jul - 15 Sep 2023

Term 4: 02 Oct - 20 Dec 2023

PRINCIPAL'S REPORT

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.

Dear Students and Families,

Open Day

Many thanks to everyone who was able to attend the Working Bee last Sunday and to everyone who ensured our school was in pristine condition for the Open Day on Thursday.

2024 Planning

Our planning for the 2024 school year is well underway with the Subject Selection Handbook being distributed and the Parent Information Session held last Monday evening for next year's Year 10, 11 and 12 students. A reminder for those families that the subject selection forms are due next Friday 18 August. We will commence developing the subject blocks based upon the subjects selected by the students the following week. If you don't get your form in before then, you may have limited choices on your subject selection for next year. Our Careers Team of Tarsh Hickey and Danni Ryan have managed a hectic schedule this week to meet with almost all families to provide advice and discuss the pathways for our senior students.

In addition to the staff vacancies we have advertised, we are bringing together the intentions of our current staff to develop our work force plan for next year.

Our primary team have been holding Foundation "Come and Try" days this term in readiness for next year. I am pleased to inform you that Mr. Leigh Waterman will be our Foundation teacher for 2024.

Take Your Marks...

Next week both our primary and secondary students will be participating in their respective athletics carnivals. Please come along and encourage and support the students. I know the primary students openly display their appreciation and the secondary students appreciate the support but are a little more reluctant to express their appreciation.

We Want You to Tell Us What You Think!!

As mentioned in last week's newsletter, our school is conducting a survey to find out what parents / caregivers / guardians think of our school. All eighty-eight families are invited to participate in the survey. The survey is optional, but we encourage all families to participate. The survey will remain open until Friday 8 September.

The survey link is <https://www.orima.com.au/parent> and individual family PINs will be distributed today via SMS. If you do not receive your PIN please contact the Front Office.

SPEED FIELD DAYS

A big thank you to Trudy Symes and Mrs Durie for setting up the amazing Tyrrell College stand.

Congratulations to Mikayla Halliday for being one of the winners of the Speed Field Days colouring competition, she submitted a beautiful bright colouring of the New Holland tractor. There were lots of amazing submissions so well done to all the other Tyrrell College students who submitted their colouring pages.

SPEED FIELD DAYS

On Wednesday last week we had a whole school excursion to the Speed Field Days. We had lovely weather for the day and all the students had a fantastic time visiting a number of interesting sites, admiring the large machinery and gaining some free merchandise. Thanks to all the staff who attended and helped out with the students on the day. Thanks also to Mr Griffiths for organising the event.

SPEED FIELD DAYS

The CLIP students attended the Speed Field Days on Wednesday and Thursday as part of their VET Certificate 1 Active Volunteering course. Over the two days, the students actively volunteered to assist the Field Day committee with odd jobs that needed completing such as handing out show bags, hanging up posters, supervising car parking, and promoting the event by taking photos of visitors and exhibitors in the instaframe and were interviewed on FlowFM. There were many members of the public who stopped by the Tyrrell College site to provide positive feedback about the CLIP student's behaviour, how well they looked in their shirts and how they were great ambassadors of Tyrrell. Thanks to Ms Matthews for organising and assisting the students.

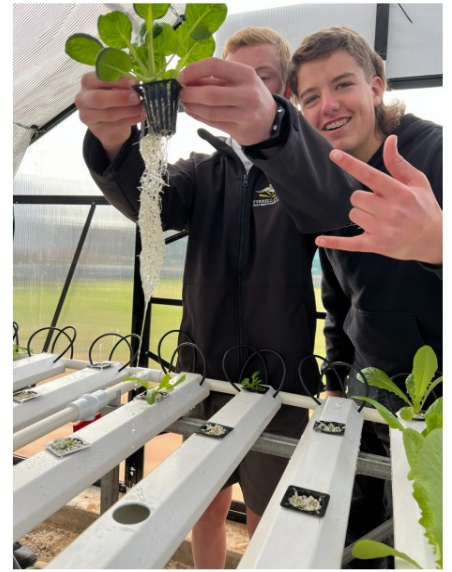

I BEG YOUR GARDEN!?

The Ag plot has had lots of busy bees so far this term. The Foundation - Year 6 students and the Year 8's and 9's have so far prepared the garden beds, sown the garden beds and the wicking beds, and transplanted the plants from the food ladder system into the wicking beds.

The 9 chickens that hatched last term were moved into the big chicken pen as they were all hens!

The winter weeding was smashed out by the excellent work of the Year 8's and the Year 9's have finished building their calf enclosure for their arrival in August.

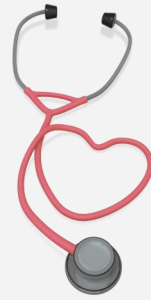

Lastly, the Primary's and Year 8's are patiently awaiting their mushrooms to grow in the dark.

Royal Flying Doctor Service

On Tuesday the 1st of August, Tom and Campbell from the Royal Flying Doctor's Educational Unit visited Tyrrell college with a plane simulator. The visit was both educational and interactive.

Students learnt about the history of the RFDS and John Flynn had the idea to create the service. We learnt about the pedal radio and how the radios were also used by the students to access the school of the air. Students were then provided with opportunities to tour the simulator and use the interactive equipment. The kindy kids also joined in and had a great time on the plane. Thank you to everyone who made a gold coin donation for the BBQ which raised money for the RFDS.

WORKING BEE

A huge thank you to the many teachers and families that came and helped at our working bee last Sunday. We had a great tidy up and was an excellent effort by all! Go team Tyrrell!

WORKING BEE

**Check out our new
Tyrrell College Website.
A one stop shop
for all information
regarding our school!**

TYRRELL.VIC.EDU.AU

HAVE YOU CHECKED YET?

Parents need to monitor their child's hair weekly as Headlice are very active critters and can move in at any time, they can lay over 50 eggs in the span of a week. Within 7-10 days these eggs hatch and new hatchlings are capable of laying eggs themselves within 18 days.

If anyone would like to know how to conduct the "conditioner comb through" checking method, please don't hesitate to contact me at school Tue. Wed. Thur Ph: (03) 50702106.

Checking and treating headlice is a parent's responsibility not the schools, **however we are happy to give advice and demonstrate the correct technique for detecting and treating headlice.**

If you detect headlice in your child you are obligated to notify the school and to keep your child home until you have started treating the headlice. A completed **Notification of Treatment** form should accompany your child's return to school.

Remember that once headlice are detected, your child's hair requires treating every 7 days for 3 weeks to completely eradicate Headlice, as the treatment solution doesn't kill the eggs which will hatch after 7 days. It takes 16 days for the newly hatched lice to turn into an egg laying adult.

If you are experiencing financial difficulty and need to treat headlice please contact the school to explore avenues of help.

Carol Elliot- School Nurse

WINTER UNIFORM

A reminder that in Terms 2 and 3 students are to wear the winter uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary.

Please call the Front Office for more information on the uniform policy. School beanies are available for purchase also.

YEAR 8 & 9 PARENTS/CARERS

YEAR 9'S HAVE 2HRS OF FARM PRODUCTION TUESDAY MORNING,
AND THE 8'S HAVE 2HRS OF HORTICULTURE ON A THURSDAY.

STUDENTS ARE REQUIRED TO BRING A CHANGE OF WORK
CLOTHES/SPORT CLOTHES WITH ENCLOSED SHOES TO SCHOOL
ON THESE DAYS. AS PER SCHOOL RULES THEY HAVE TO ARRIVE IN
SCHOOL UNIFORM AND GET CHANGED BACK INTO SCHOOL
UNIFORM AT THE END OF THE LESSON.

THANKS FOR YOUR COOPERATION

SEA LAKE/ WOOMELANG CRICKET CLUB

Expressions of Interests for players and coaches for the 2023-24 Cricket season are now open.

Can everyone (seniors and juniors) who would like to play cricket this season please let Shauna Cox know ASAP.

Contact can be made through:

- Messaging the Sea Lake Woomelang Cricket Club Facebook page
- Contacting Shauna directly
- Emailing: sealakewoomelangcc@gmail.com

For juniors, please send through the child/children's date of birth.
This will help to determine how many sides we will be able to field for the year.

Junior's grades are as follows:

- Woolworths Cricket Blast (children aged 5 to 10)
- Under 11's
- Under 13's
- Under 16's

Seniors will be C and B Grade

Tyrrell College

Parents & Friends Committee

Parents and Friends aim is to raise funds through fundraising activities to cover the costs of numerous school projects and equipment to benefit all students. Some of which have included raising funds for sports equipment, playground equipment, fundraising for school camps, excursions, seminars, classroom items etc. We also contribute to funding the breakfast club, which is available to all students every morning.

Please join our Facebook page (below) for more information and to help contribute to fundraising activities.

Primary Athletics 2023

The 2023 Primary Athletics will be held on Friday August 18th at the Sea Lake Sporting Complex. This year all sporting events will be held on the same day.

Students need to arrive at 9:00 for all events to start at 9:15 am.

Lunch order forms have gone out to all students and will need to be returned to school on Thursday 10th August. There will be additional food to purchase on the day also.

Can't wait to see you all there!

Parent Volunteers

Dear Parents/ Guardians,

If you are available to assist with the athletics and running of the athletic events, your support and assistance would be greatly appreciated. If you can assist on the day, could you please reply to this post, email- jordan.gravestocks@education.vic.gov.au or contact the school on 0350702106.

Thank you for your assistance,

Coach G

THANK
YOU!
