Term 2: 24 Apr - 23 Jun 2023

Term 3: 10 Jul - 15 Sep 2023

Term 4: 02 Oct - 20 Dec 2023

PRINCIPAL'S REPORT

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.

Dear Students and Families,

New Staff Member!

Sorry, no new students this week but we do have a new staff member join us! Jaclyn Borlase is a valuable addition to our Education Support Team and will support the learners in our Year 7 cohort. Welcome aboard, Jaclyn!

Promoting The College

Well done to everyone who worked together to promote our College at the Mallee Machinery Field Days this week. The amount of positive feedback generated about our school has been overwhelming. There were lots of positive affirmations about the College having a formal presence, acknowledgement of the excellent range of opportunities we provide and recognition of the excellent behaviour of the students who attended as part of the whole school excursion. Special recognition was received, from the public, about the impressive way the CLP students represented the school in their volunteering roles.

Many hours of work have been going on behind the scenes to develop a new website for the College. The refreshed website provides a wealth of information about what Tyrrell College offers the students and staff at the school and our links with the wider community. Do yourself a favour and have a look. The address is <https://tyrrell.vic.edu.au>. Many thanks to Trudy Symes and Lana Durie for the countless hours spent developing this valuable resource.

With the positive exposure we've experienced so far, our Open Day on Thursday 10 August is sure to reinforce our excellent reputation and reassure our local families that they have access to an excellent

education for their children.

More Great News!

We were notified this week that our application in Round 4A of the Outside School Hours Care (OSHC) Establishment Grant initiative has been successful. We have received funding of \$140,000 to establish an outside of school hours care service ready to commence at the start of the 2024 school year. The service will be available to all community families who have primary school aged children.

We Want You to Tell Us What You Think!!

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies. All families are invited to participate in the survey. The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 7 August to Friday 8 September 2023.

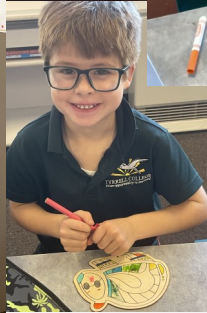

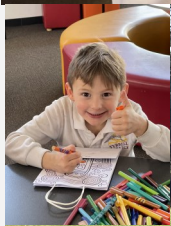

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The survey link and individual family PINs will be distributed early next week.

We are hoping we can achieve response rates equal or better than our other two surveys done so far this year. We had an amazing 94% response rate for the Student Attitude to Schools Survey and a healthy 86% response rate for the School Staff Survey. Together we can continue to make our school a great school.

Alan Coffey

Principal

CELEBRATE NAIDOC WEEK

CELEBRATE NAIDOC WEEK

What a glorious day we had to celebrate NAIDOC; the weather was superb for our Possum Skin Footy Kicking competition. Congratulations to the winners, Year 12, Year 9, and Grade 6 for kicking the slippery possum skin football into Mr. Matt Whites Bute Ute. It proved to be incredibly challenging for the competitors, overall lots of laughs. Many thanks to all primary staff who assisted in the craft/art activities in the Primary area, the students had great fun, especially trying to throw their boomerangs. A thank you also to the Year 8's for assisting with the primary kids and to Parent and Friends for cooking our beautiful BBQ. Just a big thankyou to you all, for making this a great celebration.

YEAR 8 P.E CLASS

At the end of term 2, the Year 8 PE students participated in a variety of fitness activities and recorded their results. They then created a personal fitness plan with the goal to improve their results on some of the fitness activities. As part of their program, each week the students are being exposed to different methods of exercising to help develop their health and skill related fitness. So far, they have completed a HIIT session and a circuit workout. Next week, they will try something different again. It is great to see the effort and commitment the students are applying to these activities. Keep it up!

HAVE YOU CHECKED YET?

Parents need to monitor their child's hair weekly as Headlice are very active critters and can move in at any time, they can lay over 50 eggs in the span of a week. Within 7-10 days these eggs hatch and new hatchlings are capable of laying eggs themselves within 18 days.

If anyone would like to know how to conduct the "conditioner comb through" checking method, please don't hesitate to contact me at school Tue. Wed. Thur Ph: (03) 50702106.

Checking and treating headlice is a parent's responsibility not the schools, **however we are happy to give advice and demonstrate the correct technique for detecting and treating headlice.**

If you detect headlice in your child you are obligated to notify the school and to keep your child home until you have started treating the headlice. A completed **Notification of Treatment** form should accompany your child's return to school.

Remember that once headlice are detected, your child's hair requires treating every 7 days for 3 weeks to completely eradicate Headlice, as the treatment solution doesn't kill the eggs which will hatch after 7 days. It takes 16 days for the newly hatched lice to turn into an egg laying adult.

If you are experiencing financial difficulty and need to treat headlice please contact the school to explore avenues of help.

Carol Elliot- School Nurse

WINTER UNIFORM

A reminder that in Terms 2 and 3 students are to wear the winter uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary.

Please call the Front Office for more information on the uniform policy. School beanies are available for purchase also.

ATHLETICS AFTER SCHOOL TRAINING

Athletics Training will commence after school each Wednesday afternoon from 3.15pm-4.15pm for students in Year 5-12. Students are to meet at the school canteen and can be picked up afterwards at the school at 4.15pm.

Dates : Wednesday's July 19th, 26th, August 9th

Students must return signed permission form to attend.

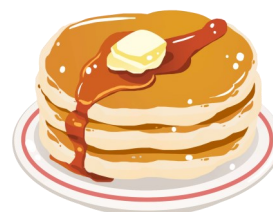

Permission forms can be obtained from
the Front Office.

Breakfast Club

SEA LAKE/ WOOMELANG CRICKET CLUB

Expressions of Interests for players and coaches for the 2023-24 Cricket season are now open.

Can everyone (seniors and juniors) who would like to play cricket this season please let Shauna Cox know ASAP.

Contact can be made through:

- Messaging the Sea Lake Woomelang Cricket Club Facebook page
- Contacting Shauna directly
- Emailing: sealakewoomelangcc@gmail.com

For juniors, please send through the child/children's date of birth.

This will help to determine how many sides we will be able to field for the year.

Junior's grades are as follows:

Woolworths Cricket Blast (children aged 5 to 10)

Under 11's

Under 13's

Under 16's

Seniors will be C and B grade

We are looking for coaches for all grades.

TYRRELL COLLEGE PARENTS AND FRIENDS

We would like to say a huge thankyou to Scott Austerberry and Matt Symes who volunteered their time last week to cook a free BBQ for the NAIDOC DAY CELEBRATIONS. It was a fun day had by all and it was great that Parent's and Friends could be a part of it!
Regards, Rach Bailey (P & F President)
Please join our Facebook page (below) for more Information and to help contribute to fundraising activities.
