Term 2: 24 Apr - 23 Jun 2023

Term 3: 10 Jul - 15 Sep 2023

Term 4: 02 Oct - 20 Dec 2023

PRINCIPAL'S REPORT

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.

Dear Students and Families,

Fathers' Day Breakfast

We had an amazing crowd of Dads, Grandfathers and significant others at our special BBQ breakfast on Friday morning. It was great to see so many people come to share a hearty breakfast of bacon and eggs and catch up and have a chat. Thank you to everyone who attended; it meant a lot to the students to have their special people with them at school. Many thanks to our volunteer catering team for organising and preparing the scrumptious breakfast.

Just Made Halfway!

Now with only seven days to go, we have achieved a 51% response rate on the school survey. This means we will need twenty more responses just to reach the 75% point. Please encourage your friends to complete the survey as less than 75% makes it difficult to be confident in our evaluation of the feedback.

Please set aside some time to complete the survey.

The survey can be found at <https://www.orima.com.au/parent> and If you have

not received your PIN, please contact Jordie, Andrea or Trudy in the Front Office.

Family Festival of Fun

Sunday's Family Festival of Fun is an event not to be missed. The students who attended the School for Student Leadership this year and the Year 9 CLIP students have done an extraordinary effort in organising this wonderful social event. Under teacher Kellie Matthew's leadership, the students have sought the support of many generous local businesses and organisations to assist with the financial aspects of the event and have planned a wide range of activities that should provide everyone who attends with an enjoyable way to spend Father's Day.

Emergency Services Day

Next Wednesday all of our students from Foundation to Year Nine will attend the inaugural Ouyen Emergency Services Day at the Ouyen Lake. The event is a joint initiative between Victoria Police, Ouyen Inc. and the Mildura Rural City Council, with a range of displays and exhibits, including several divisions of Victoria Police, Country Fire Authority and Ambulance Victoria. The Ouyen Lions Club will provide a sausage on bread lunch for those in attendance and the organisers are expecting around six hundred students from fourteen different schools. Everyone is invited to attend and learn more about the valuable services our communities have access to.

Have a nice weekend.

Alan Coffey
Principal

BOOK WEEK and ICONIC DUOS DRESS UP DAY

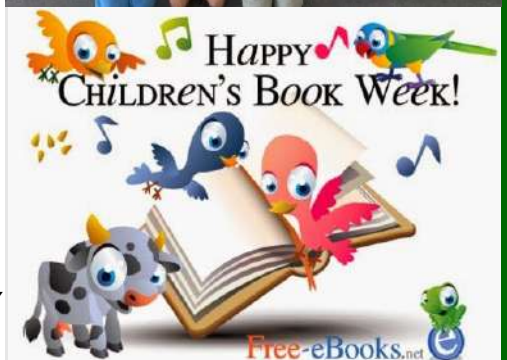

BOOK WEEK and ICONIC DUOS DRESS UP DAY

BOOK WEEK and ICONIC DUOS DRESS UP DAY

On Friday August 25th, Tyrrell College celebrated Book Week with a **favourite book character or iconic duo dress-up day**. There were some amazing costumes from both staff and students. Students, staff and parents/carers all gathered in the Primary Gallery for the Dress-Up Parade. SRC Secretary, Tasha Bailey and School Captain, Lily McClelland, had the tough choice of deciding the winners in the Primary. Our winners in the Primary were: Emmy Roberts as Harley Quinn and Aria Leo as the Blood Moon Huntress. For the secondary, our judges were Mr White and Steph Kelly. The winners in the secondary were Mrs Wright and the Year 7's as Wicked Stepmother, Snow White & the seven dwarfs. The other prize went to Scarlett McGarry, Georgia McClelland and Faith Golosino as Dora, Diego and Boots. Ms Cook's prize went to Tessa Allan as Shimmer and Shine. The secret judges for the staff prize were SRC President, Dude Kelly and School Captain, Sophie McClelland. The prize went to all of the Dinosaurs! Congratulations to all students and staff, you all looked amazing! Thank you to all our parents/carers for assisting the students in the organisation of all the fantastic costumes, also to Ms Cook and the SRC students for organising the event. **SRC Secretary – Tasha Bailey**

AGRI-TECH INCURSION

On Tuesday the 22nd of August AGRI-TECH Education came to the school for an incursion. Students in Year 7-9 and the Year 11's participated in two workshops: Sweet Science and Live-stock Locators. Students thoroughly enjoyed the workshops organised by Miss Wright. Thanks to the staff who assisted in supervision for the afternoon.

YEAR 8 & 9 PARENTS/CARERS

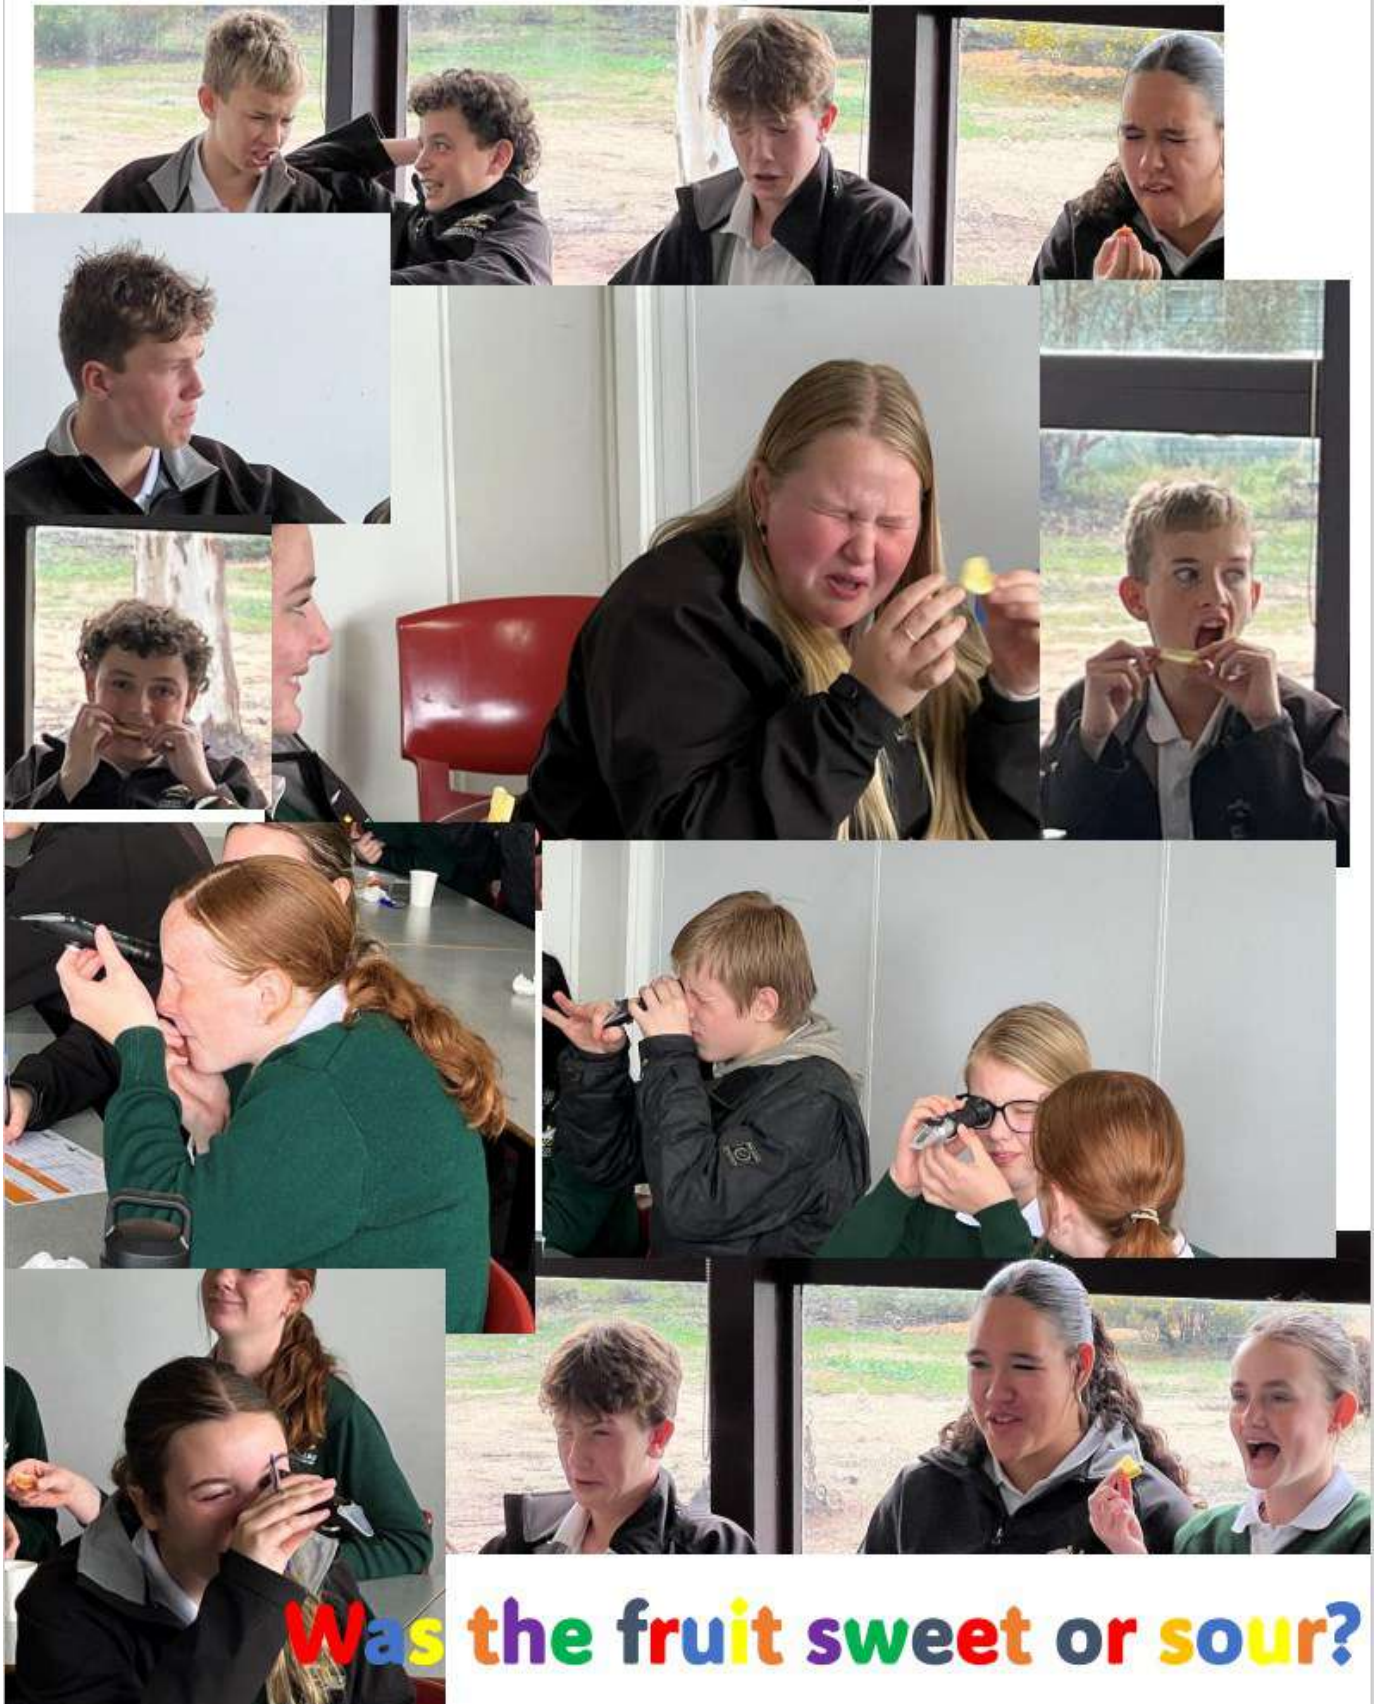

YEAR 9'S HAVE 2HRS OF FARM PRODUCTION TUESDAY MORNING, AND THE 8'S HAVE 2HRS OF HORTICULTURE ON A THURSDAY.

STUDENTS ARE REQUIRED TO BRING A CHANGE OF WORK CLOTHES/SPORT CLOTHES WITH ENCLOSED SHOES TO SCHOOL ON THESE DAYS. AS PER SCHOOL RULES THEY HAVE TO ARRIVE IN SCHOOL UNIFORM AND GET CHANGED BACK INTO SCHOOL UNIFORM AT THE END OF THE LESSON.

THANKS FOR YOUR COOPERATION

AGRI-TECH INCURSION

Was the fruit sweet or sour?

Cows Create Careers Update

Our calves were born on Monday 21st August. On Thursday Sally, from Bethune Dairy brought the calves over. Everyone was very excited to meet them! We have one girl (fully black) and a boy (3 white socks and a white tip on his tail). What do you think we should name them?! We look forward to making the reveal next week.

Without the Cows Create Careers Program or people like Sally and Paul Bethune, programs like this wouldn't be possible for our students, so we are very appreciative of them!

Miss Wright

SCIENCE OF SUPER HEROES

Prepare to fire! Above: Ellie and Jack

DNA Extraction

Left: Testing for the presence of particular mutations:

Left: Testing whether our padding strategy will protect a 3D printed cube from a simulated "Hulk" punch.

On Monday 14th August, the Tyrrell College Year 11 Physics class (Jack Leo and Ellie Stacey) ventured to Melbourne to attend a day of hands-on workshops run by Quantum Victoria. Jack and Ellie refined their "Hawkeye" skills by firing projectiles at various targets, detected and weighed up the pros and cons of various radioactively caused DNA mutations, and investigated the padding required in a superhero suit to survive a beating by Hulk. The two students enjoyed the opportunity to get out and do something different with equipment not available at Tyrrell and were surprised to see the multiculturalism of the city schools also at Quantum on the day. A most beneficial add-on to the day was an extended walk around the La Trobe University Bundoora Campus adjacent to the Quantum Victoria centre, where we explored the general environs, various buildings, lecture theatres and library. Thankyou to Miss Pearce for organising the day and taking us to KFC on the way home, and to Quantum Victoria for funding the entire excursion, including all travel costs.

Ms Pearce

A proud Ellie and Jack with their cube that survived!

YEAR 8 SCIENCE

In 8 Science we have been learning about sound this week. We have learnt how sound moves, how our ears enable us to hear, and we have attempted to calculate the speed of sound.

Miss Wright

*Good luck to all
students
participating in
finals this weekend!*

A reminder that all students travelling home on the bus, who had previously been removed for Thursdays training bus roll, please show the Front Office a note in their diary from a parent/carer if they wish to be put back on the bus permanently on a Thursday.

TOKEN MOMENT WINNERS

04.09.2023

F: Hugh Prange

11: Paige Manton

1/2: AJ Cavanaugh

12: Cooper Allan

3/4: Logan Higgins

5/6: Aydan Smith

7: Elise Barry

8: Darcey Hodgson

9: Jack Symeoy

10: Jenna Alday

Happy Birthday to the following students who are celebrating a birthday this week:

August 30– Paige Manton

September 1– Eva Roberts

September 2– Oscar McKenzie

Breakfast Club

MENU FOR WEEK BEGINNING 04.09.23

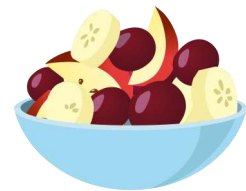

Monday 4th Sep - Croissant's Ham & Cheese

Tuesday 5th Sep - Mini Quiche

Wednesday 6th Sep - Raisin Toast, Toast, Cereal, Fruit & Yoghurt

Thursday 7th Sep - Pancakes

Friday 8th Sep - Baked Beans & Spaghetti on toast

CALLING ALL ASPIRING YOUNG ARTISTS!

Fairfax Youth Festival proudly presents **Square Pegged**, an immersive and fully-funded creative arts camp that promises to ignite your creativity, self-expression, and confidence.

Designed for teenagers aged 12-18 who are passionate about drama, music, dance, and performance.

Fairfax Youth Festival proudly presents an extraordinary opportunity for young talents to shine on the stage of self-expression and creativity. **Square Pegged** is an immersive experience that empowers young individuals aged 12-18 to collaborate, learn, and create an original performance from scratch. With fully-funded places for forty participants, this camp invites young people from the Murray Mallee region to embark on a unique journey of creative exploration.

ARE YOU EAGER TO DEVELOP THEATRE SKILLS, EXPLORE ACTING TECHNIQUES, AND UNLEASH YOUR CREATIVE POTENTIAL?

Fairfax Youth Festival's FREE week-long camp (first week of October), **Square Pegged**, is the perfect platform for young people across rural Victoria. Whether you're from a small town or a remote area, **Square Pegged** is open to all young individuals aged 12-18. This camp offers a unique opportunity to learn, collaborate, and devise a captivating performance while having 100% fun.

See Miss Pearce for more information.

HAVE YOU CHECKED YET?

Parents need to monitor their child's hair weekly as Headlice are very active critters and can move in at any time, they can lay over 50 eggs in the span of a week. Within 7-10 days these eggs hatch and new hatchlings are capable of laying eggs themselves within 18 days.

If anyone would like to know how to conduct the "conditioner comb through" checking method, please don't hesitate to contact me at school Tue. Wed. Thur Ph: (03) 50702106.

Checking and treating headlice is a parent's responsibility not the schools, **however we are happy to give advice and demonstrate the correct technique for detecting and treating headlice.**

If you detect headlice in your child you are obligated to notify the school and to keep your child home until you have started treating the headlice. A completed **Notification of Treatment** form should accompany your child's return to school.

Remember that once headlice are detected, your child's hair requires treating every 7 days for 3 weeks to completely eradicate Headlice, as the treatment solution doesn't kill the eggs which will hatch after 7 days. It takes 16 days for the newly hatched lice to turn into an egg laying adult.

If you are experiencing financial difficulty and need to treat headlice please contact the school to explore avenues of help.

Carol Elliot- School Nurse

WINTER UNIFORM

A reminder that in Terms 2 and 3 students are to wear the winter uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary.

Please call the Front Office for more information on the uniform policy. School beanies are available for purchase also.
