PRINCIPAL'S REPORT

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.

Dear Students and Families,

Ladder to Success

Wednesday's Harvest Lunch celebration of the Food Ladder was a resounding success with many student groups contributing to ensure the visitors, supporters and College population were well fed. A special congratulations to the Agriculture and Horticulture team, especially Ashlen Wright who secured the grant funding and managed the construction and operation of the green house. There were many congratulatory comments made about the entire event and everyone who assisted should be immensely proud of their achievements.

Talent at Tyrrell

Today saw the students who are studying music with Greg Knight display what they have learnt this year. The students played their instrument or performed to an appreciative audience at the complex. It takes a lot of courage to perform on stage and the students need to be congratulated for their efforts. Many thanks to Greg, Mr. Leo and Tanner Hage for creating the

environment for the students to shine, and an old rocker to relive his youth.

Good Luck!

Next week, we farewell our current Year Twelves as they have their final day of school and the Year 12 Luncheon on Wednesday. It will be a time filled with mixed emotions from feeling anxious about the upcoming exams and then the expectation of relief when the final exam is over, to the unknown of future after school. I wish to congratulate this great group of students on the way they interacted and worked together throughout the year.

SUMMER UNIFORM

A reminder that in Terms 1 and 4 students are to wear the summer uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary. Please call the Front Office for more information on the uniform policy.

School bucket hats are available to order from the Front Office for \$15.

FOUNDATION, GRADE 1&2 EXCURSION AND SLEEPOVER

On Thursday the 14th of September, Both the Foundation and Year 1/2 classes went on an excursion to Lake Boga and Swan Hill. We first went to the Catalina Flying Boat Museum at Lake Boga where we were given a tour. We were able to look into the Flying Boat and were shown the original bunker from World War Two. We then went to Tower Park at Swan Hill for lunch. Afterwards we had a private viewing of 'Teenage Kracken' at the Swan Hill cinemas. We then returned to school and had pizza for dinner and watched another movie. The Foundation students went home but the Year 1/2 slept in the primary gallery. After such a big day we were all sound asleep by 9pm. In the morning we have pancakes for breakfast. It was a great excursion.

Mr Ron Schauer

FOUNDATION, GRADE 1&2 EXCURSION AND SLEEPOVER

What's Happening in Humanities?

During the unit, 'Business and Economics', students identified the reasons businesses exist and investigated the different ways they produced and distribute goods and services. Students then proceeded to create and design their own business venture, from logo designs for a hoodie, making jewellery, soaps and bath bombs. Their amazing work is displayed in the secondary corridor.

Awesome!

REGIONAL ATHLETICS DAY- BENDIGO

Well done to the 13 secondary students who competed in the Regional Athletics Championships in Bendigo on Thursday October 5. Despite the huge day of travel and cold and windy conditions for competing, Tyrrell students represented the school admirably.

A special mention to Judd Durie who won the 15 years Javelin with a throw of 31.41m. This means Judd is now of to the State Championships in Melbourne on Monday October 16th. Good luck Judd!

A huge thank you to Mr Griffiths for driving the bus and Steph Kelly for also accompanying the students on the trip.

Mrs Nat Plant

Congratulations

Congratulations to our school nurse Carol Elliot on winning a prestigious AQHA (Australian Quarter Horse Association) 2023 End of Year High Point Award.

Carol was awarded overall select amateur of Australia, High Point Champion in her category- making her no.1 in Australia for the past season.

Well done Carol, that's an amazing achievement!

**Past student Rachel Turner (Elliot) also won her category, making her no.1 in Australia as well.

FLY INTO FOUNDATION

The transition from Pre-School to school is a big and exciting step for children and their families. Our 'Fly into Foundation' Transition Program includes four special sessions to help Pre-School children get to know our school, their Foundation teacher, the school schedule, and their new friends.

SCHOLASTIC

Be Sun Smart in Term 4

With the coming of Term 4 our Sunsmart Policy comes into action. This means School Bucket hats need to be worn at all times when outdoors and are part of the school uniform and are in our school color of green. If you don't currently have a bucket hat please contact the Front Office to arrange one. Cost is \$15 and they are embroidered with your child's name to prevent them from becoming lost. Baseball/peak caps are not suitable. Sunscreen is supplied by the school for outside activities (current supply is Nivea and Pharmacy's own brand but can vary to other brands)

If your child has an allergy or sensitivity to any sunscreens you are welcome to supply some of a brand of your own choosing to be kept at school for your child exclusive use. If sending in an individual supply for your child, please label clearly and put a note in your child's diary or ring the front office to let staff know so it can be noted.

HEADLICE

Remember that school holidays are a peak time for headlice to visit, when children come into close contact with others and when travelling for holidays and meeting new people.

Please remember to do a headlice check on your child's hair.

Headlice are very active critters and can move in at anytime, they can lay over 50 eggs in the span of a week. Within 7-10 days these eggs hatch and new hatchlings are capable of laying eggs themselves within 16 days. So you can see why regular

checking is recommended, don't wait until you notice your child scratching their head (not all children will scratch) but if they are please investigate and stay vigilant. If you need help or want more information about detecting and treating headlice, please don't hesitate to contact Carol Elliott (sec school nurse) at the school.
