## PRINCIPAL'S REPORT

### Acknowledgement

*We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.*

### Dear Students and Families,

### Time Flies!

Here we are at the end of Term 3 and getting close to the end of the year. We have had some excellent events and activities this term. Sincere thanks to everyone who has contributed to providing the amazing range of experiences for the students. Term Three concludes today at 2:30pm and Term Four commences on Monday October 2nd.

Stay safe, rest up and we will see everyone back recharged for Term Four.

### Magic Job!

Thanks to the commitment of sixty-four of our school families we achieved a 75% school survey response rate. This valuable information will provide reliable feedback on how our families believe we are performing and areas we need to focus on in the future.

### Another Farewell and Thank You

There must be something in the water. This week our mental health support worker Meg Wilson is commencing parental leave. Meg has been a valuable addition to our Wellbeing Team over the last year and we wish her well in her new role as a mum.

### New Arrival

This week we were once again astounded by the generosity of the Haeuslers Group with the arrival of our new baby, a John Deere 6155M tractor. This exceptional community relationship enables our students to operate the latest technology as part of the agriculture program.

Wishing you all an enjoyable and safe school holidays.

Alan Coffey  
Principal

## TOKEN MOMENT WINNERS!

Congratulations to our Grade 1/2 and Year 12 students on winning the Token Moments for Term 3! 🌟

These students will receive a special morning tea to celebrate early in Term 4. 🍰

# EMERGENCY SERVICES DAY

WooHoo!!

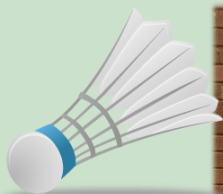

# EMERGENCY SERVICES DAY

Last Wednesday our Foundation to Year 10s had an excursion to Ouyen to attend the Emergency Services Day. The day gave students an opportunity to meet and learn more about our local and visiting emergency services. This also included various demonstrations, education and opportunities for our young people to explore future career options. There were many agencies in attendance including: Victoria Police (several divisions), Country Fire Authority (CFA), State Emergency Service (SES), Ambulance Victoria (AV), Forest Fire Management Victoria (FFMV), Department of Energy, Environment and Climate Action (DEECA), Mallee Track Health and Community Services (MTHCS), Community Road Safe Mildura and Red Cross. A delicious BBQ of snags in bread was kindly provided by the Ouyen Lions Club. The students had an amazing and informative day. Thank you to all staff who attended with the students on the day.

# YEAR 8 SEPEP PROGRAM

**Awesome!**

This week in the Year 8's PE class they have started a new program called SEPEP which will run over the course of 5 weeks. In this program the students are split up into 6 teams and will participate in a badminton competition. Each of the students have their own roles in the team such as coach, team manager, publicist, and score keeper. The students set weekly goals for their performance, take turns setting up the equipment in addition to organizing their own warmups. SEPEP gives the students the opportunity to try something new, see sport from a new perspective and have more responsibility over their own learning. In the first game of the badminton competition The Hooters won both of their rounds, winning against the Raging Raiders. There were great displays of sportsmanship from both sides.

# YEAR 8S MUSHROOMS

The Year 8's have been growing some mushrooms in Year 8 Horticulture class this term, with Miss Wright.

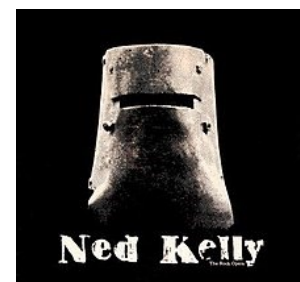

# WHAT'S HAPPENING IN HUMANITIES?

## Ned Kelly Self Portraits Grade 3 & 4 Humanities.

Grade 3 & 4 have been learning about the Famous Australian Bushranger, Ned Kelly. Then painted a self-portrait of the bushranger based on Sidney Nolan who is best known for his series of paintings on legends from Australian history, most famously Ned Kelly, the bushranger and outlaw. The students did a fantastic display which can be seen as you walk into the Primary Gallery. A special mention to Jim Symeoy who did an amazing painting on Ned, Jim received a Superstar Certificate for his artwork which was a combination of pencil and watercolour.

*Good luck to all students  
participating in finals this  
weekend!*

A reminder that all students travelling home on the bus, who had previously been removed for Thursdays training bus roll, please show the Front Office a note in their diary from a parent/ carer if they wish to be put back on the bus permanently on a Thursday.

## **SUMMER UNIFORM**

A reminder that in Terms 1 and 4 students are to wear the summer uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary.

Please call the Front Office for more information on the uniform policy. School bucket hats are available to order from the Front Office.

# Be Sun Smart in Term 4

With the coming of Term 4 our Sunsmart Policy comes into action. This means School Bucket hats need to be worn at all times when outdoors and are part of the school uniform and are in our school color of green. If you don't currently have a bucket hat please contact the Front Office to arrange one. Cost is \$15 and they are embroidered with your child's name to prevent them from becoming lost. Baseball/peak caps are not suitable. Sunscreen is supplied by the school for outside activities (current supply is Nivea and Pharmacy's own brand but can vary to other brands)

If your child has an allergy or sensitivity to any sunscreens you are welcome to supply some of a brand of your own choosing to be kept at school for your child exclusive use. If sending in an individual supply for your child, please label clearly and put a note in your child's diary or ring the front office to let staff know so it can be noted.

## HEADLICE

**Remember that school holidays are a peak time** for headlice to visit, when children come into close contact with others and when travelling for Holidays and meeting new people.

**Please remember to do a headlice check on your child's hair before returning to school next term.**

**Headlice** are very active critters and can move in at anytime, they can lay over 50 eggs in the span of a week. Within 7-10 days these eggs hatch and new hatchlings are capable of laying eggs themselves within 16 days. So you can see why Regular

checking is recommended, don't wait until you notice your child scratching their head (not all children will scratch) but if they are please investigate and stay vigilant. If you need help or want more information about detecting and treating headlice, please don't hesitate to contact Carol Elliott (sec school nurse) at the school.
