Term 2: 24 Apr - 23 Jun 2023

Term 3: 10 Jul - 15 Sep 2023

Term 4: 02 Oct - 20 Dec 2023

PRINCIPAL'S REPORT

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learn today.

Dear Students and Families,

Standing Up

It was my very great pleasure to see and hear the current Year Five students present their Junior School Captain speeches this morning. All of the students did an outstanding job preparing their speeches and presenting them to their primary school colleagues and teachers. I was very impressed with the large number of students who courageously put themselves forward to apply for these very prestigious positions. You should all be very proud of the way you presented your ideas and aims for if you were our next School Captain.

Winding Up

As the end of the school year approaches, we have a number of important events and activities which symbolise the completion, transition or commencement of a phase of education for our students. Next Thursday evening, we will be celebrating the achievements of our current Year Twelve students at the Valedictory Dinner. Thursday will also be our Year Seven Transition Day where our 2024 Year Seven students will continue their introduction into secondary school. Please mark on your calendar, Wednesday 13 December as that will be our annual Presentation Night and a fantastic way to meet to celebrate the achievements of our students.

Important Dates

Friday 24 November is the final day for our Year Eleven students, Friday 8 December is the last day for Year Tens and all remaining students are expected to attend school until Tuesday 19 December, as Wednesday 20 is a Pupil Free Day. All students will commence the 2024 school year on Tuesday 30 January 2024.

Reaching Out

We have a number of extra-curricular activities planned over the next few weeks which should provide valuable experiences for some of our students. The first exciting one is the Mission to Mars excursion to Melbourne, where the Year Five, Six and Eight students will don space suits and undertake specified scientific tasks on the simulated surface of Mars. In the first week in December, our Year Nine and Ten students will be off on Surf Camp to participate in a range of coastal activities. Mrs. Wright has a variety of special activities planned for the students to take part in for Activities Week, which includes our special Christmas Lunch.

Alan Coffey

Principal

SUMMER UNIFORM

A reminder that in Terms 1 and 4 students are to wear the summer uniform. If your child is out-of-uniform for any reason, they must bring a note from home in their diary. Please call the Front Office for more information on the uniform policy.

School bucket hats are available to order from the Front Office for \$15.

Grade 5/6 Urban Camp

During week 4, both St Mary's and Tyrrell 5/6 students went to Urban Camp in Melbourne. It was a fully packed schedule with us out and about for over 12 hours each day. We visited museums, the MCG, Vic Markets and more. We were lucky to have the bus with us all week and most days we did over 12,000 steps. The camp was both educational and lots of fun.

Mr Ron Schauer

Awesome!

Grade 5/6 Urban Camp

Recently in **Year 9 Science**, students have been studying chemistry. Students have completed a number of different practical experiments investigating different aspects of chemistry. Students explored endothermic and exothermic reactions by monitoring and recording the temperature change when two chemicals or metals react with each other. Students recently, investigated a range of different indicators such as universal indicator, bromothymol blue, methyl orange and red and blue litmus paper by testing whether different substances were acidic or basic. Students observed a wide range of interesting colour changes.

Miss Kodi Carter

Science Yr 7 & 9

Over the last few weeks in **Year 7 Science**, students have been investigating forces. During a recent practical experiment, students were randomly partnered and tasked with the challenge of creating a tin boat made only from alfoil.

Students applied their knowledge about balanced and unbalanced forces in addition to buoyancy force to create their boats. Students tested their boats by adding 50g weights until the boat began to sink. The overall winner was decided by the boat that could hold the greatest amount of mass without sinking.

The winning boat could hold 350g without sinking which was created by Zander Wight and Elise Barry.

Miss Kodi Carter

YEAR 12'S FINAL EXAMS

Above: Tom Mitchell had his final exam on Wednesday.

Congratulations to Tom Mitchell and Dude Kelly on completing their final exams this week. Good luck to the students still completing exams over the coming week.

Above: Dude Kelly had his final exam on Friday.

Year 9 & 10 Student Timetable for Monday 27 Nov – Friday 1 Dec

Including Exam Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Period 1	Year 10 Health class as normal Year 9 CLP class as normal	Year 9/10 Study hall	9 Science Exam 10 mins reading 90 mins writing	Year 9 HPE class as normal Year 10 Art as normal	11 Maths Methods Exam 15 mins reading 60 mins writing tech free

Year 11: Nick Pearce

WooHoo!!

FLY INTO FOUNDATION

The transition from Pre-School to school is a big and exciting step for children and their families. Our 'Fly into Foundation' Transition Program includes four special sessions to help Pre-School children get to know our school, their Foundation teacher, the school schedule, and their new friends.

JOIN US FOR THE FOLLOWING SESSIONS:

- ★ 20 October, 9 am - 11:05 am
- ★ 3 November, 9 am - 11:05 am
- ★ 17 November, 9 am - 1:50 pm
- ★ 24 November, 9am - 3:05 pm

A79 CAFE AND AMUSEMENTS

54 Best Street, Sea Lake

We are open for the kids to come and play, while mum and dad shop or visit the local. Our arcades are only \$1 to play and our billiard table is free. Homemade hamburgers and schnitzels. Food cooked fresh while you wait.

Opening Hours:

Wednesday 2pm to 8pm

Thursday 2pm to 8pm

Friday 2pm to 10pm

Saturday 11am to 10pm

Sunday 11am to 8pm

We close early if no trade.

We have working with children permits and full police checks.

HAPPY BIRTHDAY!

Happy Birthday to the following students who have celebrated birthdays during the school holidays and those students who are also celebrating this week:

November 8– Myah Stewart

November 10– Aria Leo

PRESENTATION NIGHT AWARDS

With the end of this year rapidly approaching, Tyrrell College is once again looking for local clubs, community groups, businesses and individuals willing and able to contribute financially to our annual educational awards.

This year's whole school Awards Ceremony to celebrate the marvellous achievements of our Tyrrell College students will be held on Wednesday 13 December at the Sea Lake Community Complex.

If you are in a position to sponsor one of our prestigious scholastic or encouragement awards, please contact Rachel Pearce at the school (5070 2106 or rachel.pearce@education.vic.gov.au). Your donation will be presented to the winning student of the award as either a special book or as a voucher to assist with future educational expenses. Sponsors of awards will be acknowledged at the Presentation event itself and in the local paper.

Breakfast Club

FOR THE WEEK BEGINNING November 13:

Monday 13th Nov - Spaghetti & Baked Beans on Toast

Tuesday 14th Nov - Pizza & Vegemite Scrolls

Wednesday 15th Nov - Raisin Toast, Toast & Cereal

Thursday 16th Nov - Pancakes

Friday 17th Nov - Bacon & Eggs

We have a number of Breakfast Club take-home food hampers available for any families in need. Please call the Front Office to organize pick-up if you are interested.

Tyrrell College *Parents & Friends Committee*

Parents and Friends are still chasing donations of Foodworks tokens/stamps to be used to purchase this years Christmas raffle items. Stamps can be dropped off at the Tyrrell College Front Office to be forwarded to P&F.

A reminder that P&F are catering for the Valedictory Dinner next Thursday November 16. If you can help out in any way please let us know.

Thank you for your support.

Tyrrell College P&F

Sea Lake Foodworks are currently seeking Juniors 15 years and over for casual work. Boys and girls both welcome to apply.

Please contact Cherie at Foodworks for more information (03)50 70 1090

COVID-19 CASES

In the week ending 27 October, 6550 cases of COVID-19 were reported nationally, an average of 936 cases per day and a marked increase of 23.6 per cent on the week prior. The highest numbers were reported in NSW (1911) and Victoria (1407). The same week, there were 16 deaths and 1239 Australians hospitalised with COVID-19 – the highest number of hospitalisations since July 2023.

Victoria's acting chief health officer has suggested that people consider wearing masks again, as community transmission surges. While isolation is no longer a legal requirement, it is strongly recommended that people stay home after a positive test result to protect others, particularly those more susceptible to severe disease.

If anyone would like a box of covid tests please contact the school or put a note in your child's diary and they will be sent home with your child.
