TYRRELL COLLEGE

Your opportunity to succeed

December 6, 2024 Issue 36

TYRRELL TIMES

Acknowledgement

We acknowledge the Wergaia peoples as the traditional custodians of the lands upon which Tyrrell College is situated. We pay our respects to their elders – past, present, and emerging – and we acknowledge their deep care of the lands we live on. We also acknowledge that for tens of thousands of years our First Nation's peoples have engaged in – and passed on – excellent teaching and learning practices on the spaces upon which our community members learns today.

Purpose Statement & Values

To provide a safe, positive and challenging environment where everyone aspires to aim high and become responsible, caring and contributing community members.

Respect Responsibility Honesty Aim High

PRINCIPAL'S REPORT

Dear Tyrrell College Community,

Our Year 9/10 students are having a wonderful time on camp in Adelaide. We have had regular communications from teachers Damien and Kodi who have reported how amazing the students have been and how fun the activities have been.

Earlier in the week it was announced that our 2025 Primary School Captains are Randy Bailey and Oscar McKenzie. Congratulations to these two exceptional students who are outstanding role models and emerging leaders at Tyrrell College.

Today we enjoyed our Grade 6 Graduation celebration. These enthusiastic young learners are now ready for the rigors of secondary school. We hope all the Grade 6 students enjoy the final few weeks of their primary schooling. Thank you to those teachers and ES staff who have made a positive contribution to their learning over the years.

I will be absent from the school in the final two weeks. Taking long service leave to spend some time with my wife's family visiting from England. Harry Symons will be the Acting Principal in this time. I would like to take this opportunity to thank the school community for making me feel so very welcome at your school. The students are amazing and staff are hardworking, caring, dedicated and highly skilled practitioners.

I know the school will thrive in 2025 with new principal Michael Greenaway. It is an exciting time to be a part of the Tyrrell College school community.

Wishing everyone a safe and Merry Christmas.

Phillip Cox
Acting Principal

**Please note 1.05pm dismissal on the last day of Term 4 for students.

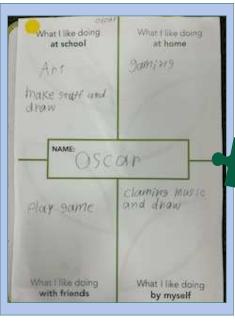

Ograde 5/6 Dream Geeds

On Monday December 2, Tyrrell College students in Grades 5 and 6 braved the heat walking over to St Marys for a Dream Seeds workshop. It taught them about different values like aspiration, resilience and connection. Students identified positive values and traits in themselves and their peers, as well as recording lists of the things they are capable of doing. After some games, students wrote down the four traits that they believe they have onto leaves which they attached to a tree. It was a great morning of collaboration between the two schools, with all the kids enjoying working together to achieve different goals.

2025 Year7 Parents

Years 7-12 Student Devices for 2025

For parents wishing to purchase student devices at education prices, below is the link to the parent portal for Comp Now.

There are both Mac and PC options, as well as options for additional warranty and accidental damage protection. Please contact Terry Gallagher (Tuesday afternoon, Thursday morning or leave a message) or Pat Amos at the College if you have any queries.

2025 Year 12 Class

On Friday at assembly the Year 11 cohort were presented their 2025 Year 12 jumpers. Next year these students will lead the school and we look forward to seeing them flourish in this role. Students spent a large amount of time designing, collaborating and fundraising in order to make these jumpers a reality.

We wish you all the best of luck for 2025.

(Absent: Jet Newick, Jack Stacey, Ellie Stacey, Tye Griffiths and Rachael McClelland)

One Up Week

Students in Year 7 had a jammed packed week during 1 Up Week in Science. Students completed various scientific experiments including a Gummy Bear Osmosis Practical where the length and mass of the gummy bear was measured and were submerged in various solutions. Students were going to measure the change in size, however, unfortunately the gummy bears completely dissolved by the time students got to check them. Students also investigated Non-Newtonian fluids by making Oobleck. Students had a lot of fun testing out the coloured slime like material, observing that it behaved as a solid as well as a liquid. Mr Leo also kindly invited us to watch a Science demonstration on the oval where pure sodium was placed in water resulting in a loud explosion. We are hoping this has sparked the interested of our young Scientists coming into Secondary School next year.

One Up Week

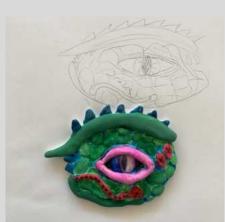

2025 Year 7 class expressing their creativity in their Year 7 ART class with Mrs Melanie Kelly

Happy Birthday to all the students who have celebrated a birthday this week:

December 6-Jack Leo

2025 NUSIC LESSUS

Expressions of interest are now being taken (Limited spots available)

Please call the Front Office for more information or to add your child to the list.

4th December 2024

Dear Community,

As the holiday season draws near, our community is filled with hopes and dreams that reflect the spirit of giving. We are reaching out to you with an opportunity to make a significant impact this Christmas, through our Tyrrell College & Neighbourhood House Sea Lake Wishing Tree program which aims to support families in our local community.

This initiative not only brings joy to families but also fosters a sense of community and togetherness. We believe that every child deserves to experience the magic of Christmas, and we need your help to make this possible.

We are seeking donations that can be gifted to children aged 0-13 years. New, unwrapped toys or monetary contributions are greatly appreciated, as they will help ensure that each child receives something special to unwrap on Christmas morning.

Donation Details:

Ideas for donations: Gift cards, Lunch boxes & drinker bottles, Action figures & dolls, Board games & puzzles, Art supplies & craft kits, Sports equipment, Building sets & blocks, Playdough, Bubbles, Colouring books and pencils.

Drop off location: Tyrrell College Sea Lake (10 Sutcliff Street, Sea Lake, Vic 3533) or pickup arrangements can be made by contacting Tarsh or Kellie via phone numbers below

Deadline for donations: 9am Tuesday the 17th of December 2024

Please consider joining us in this heartfelt initiative, together we can ensure every child in our community feels loved and remembered, bringing smiles and laughter to families this Christmas.

We wish you and your family a joyful and safe holiday season.

Kind Regards,

Tarsh Hickey Kellie Matthews

The Agricultural Program offered at Tyrrell College has been recognised nationally as a centre for excellence in the delivery of agricultural education. Tyrrell College offers students the opportunity to study Certificate II in VET Agriculture.

Certificate II in Agriculture is a work ready pre-employment course designed to assist students in pursuing a career in the agricultural industry through study pathway options, such as an apprenticeship or higher education. Completion of Certificate II in Agriculture provides students with the skills to work on properties or in rural enterprises engaged in primary production.

For more information call Tyrrell College or email tarsh.hickey@education.vic.gov.au
