

Year 1-6 BOOKLIST 2025

Educational Items for students to own

Please find a list based on year level, with a listing of items that the school recommends for each individual student to individually own and use. These items are to be purchased from a third-party supplier; we recommend that you look at purchasing items locally to support our rural local businesses.

NB: It is estimated that this is the quantity of stationery your child would require for the entire year. These supplies can be sent to your child's classroom at the start of the school year for safekeeping, so they have ready access when needed.

NB: As of 2025 we have taken Foundation of this stationary list as all materials will be supplied in the classroom.
